Abstract	I
1 Chapone -intro- name	1
2 chapter two title	2
3 chapter 3 name:	5
A Name of appendix	6
References	7

List of Figures

List of Tables

Chapter 1

Chapone -intro- name

here you start the arabic page numbering too:

Write chapeone here...is oka..

Chapter 2

chapter two title

write chapter 2...here..etc.then chapt3 new file...

included^ chapter two doc-as insert->child doc->chapt2.lyx as include (input possible).

Chapter 3

chapter 3 name:

chapt3 stuff include here chapt3 stuff.

After your reach your final chapter and appendices
put stuff adppendix then we reach your biblio

Appendix A

Name of appendix

stuff here

References

- [10] www.etc.com fadfaj Bibliography is in put in backward order. This means we have 10 bibs to follow after number 1 -L γ X- is number last.
- [2] sfajdjafd ...da. never mind here you can then put number 2, 1or 9 the first entry 1[10] tells the bib engine how many bibs you have.
